

Government of Punjab
Department of Governance Reforms
(Governance Reforms-2, Branch)

ORDER

A committee of the following Officers is hereby constituted to study the two applications of NIC - Web-Suwidha, and Right to Service Information System (RTSIS) under-development and suggest the application to be used for monitoring of services requests and pendency position of services notified under RTS Act 2011. This also look into the other softwares like e-district and SSDG, which may have front-end systems. Further more this committee will recommend one software for MIS purposes which will be used in the transition phase till the ultimate front-end (SSDG and e-district) will be used by all.

- a) Sh. Rajnish Malhotra, Head SeMT
- b) Sh. Navneet Kukreja, State Informatics Officer (SIO), NIC Punjab
